

MODERN STEAK

private dining opportunities

EVENT GUIDELINES & BUYOUTS

Event Guidelines:

Thank you for selecting Modern Steak as your private dining venue. We are looking forward to providing a memorable experience and are here to assist you so that you can enjoy time with your guests.

Please familiarize yourself with the event guidelines below regarding private dining at Modern Steak:

- 72 hours before your event we ask that you submit your final guest count, event contract and menu selections.
- We require a credit card deposit to hold all room reservations.
- Reservations cannot be confirmed until a signed event contract is received.
- In the event of cancellation, we require notice 7 days or more before the reservation date. If cancellation is not received by this date a \$500 fee will apply without notice.
- Each room rental requires a pre-determined food and beverage minimum. If this minimum is not met during the event, the difference between the actual bill and the minimum will be charged as a room rental fee.
- Each private dining room is equipped with a 42" LED TV which can be connected to a laptop for presentations. No additional charge applies for this use. While we will make every effort to ensure equipment is in excellent working condition, we are not responsible for AV/Technical difficulties and failures. We strongly encourage testing your equipment with the AV at least 24 hours prior to event.

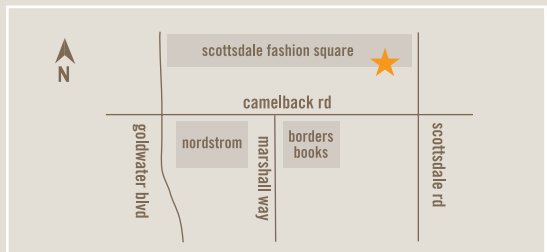

Restaurant Buyouts:

In addition to offering three private dining rooms, a pre-function room, and a patio, Modern Steak is also available for full restaurant buyouts. For more information and availability please contact the Private Dining Room Manager at 480.423.7002.
