## LEMON OLIVE OIL CAKE

4 lemons zested and juiced

1 cup organic extra virgin olive oil

6 eggs

1 tsp sea salt

2 cups evaporated Cane Sugar

2½ cups organic all purpose flour

1 tbsp baking powder

### DIRECTIONS:

Combine zest, juice and olive oil in a small bowl. In the mixer combine eggs & salt. Mix on medium for 2 minutes. Slowly add the sugar and continue to mix until pale and thickened. Turn mixer to low and slowly sift in the flour and baking powder, followed by the olive oil mixture. Do not over mix at this point; just incorporate the ingredients. Pour this mixture into a cake pan or muffin tin. Bake at 350 degrees for 25 minutes for cupcakes and 35 minutes for large cakes. Poke with a toothpick to check for doneness. Serve with Greek yogurt and fresh strawberries.
